

## 2017 “Earth Angels Wanted” for Toy & Gift Donations

Please help to help bring a lil Joy into the life of a child in need this Holiday Season...

Earn your “Earth Angel” wings by sponsoring a child for Christmas... With your contribution of a toy or donation, he or she will know Santa didn’t forget them after all... Our goal is to reach out to families currently residing in Ogle County (but no family in need will be rejected). For families who have “fallen through the system” somehow. Who are unable to receive assistance and really could use an Earth Angel assigned to them to make this a special Christmas after all... All five branches of the military families qualify if they reside in Ogle County. If you know of a family who “really” needs an Earth Angel, even if it’s your own family, please let us know. All the information is kept Confidential. .What is most important is gender & ages so gifts can be purchased and distributed accordingly... You can still earn your wings by volunteering to help bake, wrap, pick up or deliver when the time comes, even if it is for only an hour or two... Remember, the names being gathered need your help, generosity & opened hearts for toys & donations to make this a success! Together, we can make Ogle County the largest group of bell ringing “Earth Angels” again this year!  
(\* All those wishing to sign up, must be screened and qualify to be placed on the list.

### Deadline for toys this year is Dec.15th, 2017 at all our drop sites.

(Please note, afterwards any toys or donations will be accepted through Christmas at the Mt. Morris Seniors Center) Distribution is done until all the toys have been distributed. Our goal is all distribution is done in time for Christmas. (Subject to Mother Nature).
