

Minutes of Planning Commission Meeting Held March 2, 2020

Meeting was called to order at 6:45pm by Chairman David Saunders. Upon roll being called, the following answered present: D. Saunders, Francis, Taylor, Gray, Warkins, S. Saunders

APPROVAL OF MINUTES: Minutes of February 3, 2020 were approved and will be filed.

ADMINISTRATION: Member Warkins reported on the Village Board meeting of February 25, 2020 regarding cannabis business located within Village limits. Village board voted to opt out of allowing such a business in the Village and instructed Village Attorney LaSage to draft an appropriate ordinance.

Member Warkins again addressed the issue of requiring visible numbers on all buildings within the Village limits. This would greatly improve the ability of first responders and Postal delivery entities (USPS, UPS, FedEx, etc,) to quickly reach the correct address. Oregon has such an ordinance in place and Mt. Morris could use this to draft our own ordinance.

Member Gray gave update on the upcoming census and reiterated how important it is to have an accurate count.

Members Taylor and Francis discussed the need for a city-wide cleanup day as was held in 2019. They said more planning was needed regarding having the proper equipment to move large objects. Also, it is imperative to have the Village waste pickup contractor remove the remaining refuse the following day.

UNFINISHED BUSINESS: None

Next meeting: April 6, 2020 at 6:45pm in the Village Board Room
